DES MOINES AIR TRAFFIC CONTROL TOWER LETTER TO AIRMEN NO. 06-1

SUBJECT: Separation Service During VFR Practice Approaches

CANCELLATION: effective date + two years

Des Moines Approach Control provides practice instrument approaches to VFR aircraft at the following locations:

Ames Airport, IA (AMW) RCO 126.0
Ankeny Airport, IA (IKV) RCO 126.65
Newton Airport, IA (TNU) RCO 126.3

A detailed explanation of ATC handling of practice instrument approaches is contained in the Aeronautical Information Manual.

When departing Des Moines Airport, advise Clearance Delivery of intentions to practice approaches and destination airport. When departing other airports, contact Des Moines Approach Control on 123.9 prior to entering Class C Airspace or on the Remote Communications Outlet (RCO) frequency prior to departure. Advise of your intent to conduct practice approaches and destination airport.
